About Helwig Carbon Products

Helwig Carbon Products, Inc. has over 85 years of experience in manufacturing precision-machined carbon brushes and brush holders, spring assemblies and other carbon products.

We are one of the last, major American-owned carbon companies. Our fast, reliable service, high quality workmanship and on-time delivery are well known in the industry.

Superior design and engineering capabilities, as well as our manufacturing expertise, enable us to routinely hold the most exacting tolerances. All processes are done at one location and are backed by ISO 9001:2008 certification.
