

Mining Industry

Top Quality Carbon Brushes, In-Stock

Helwig Carbon Products has been servicing the mining industry since 1928, when we first started manufacturing carbon brushes.

Reduce downtime for maintenance

Ask us to perform on-site inspections to determine whether you need to use a different brush. Using the optimal carbon brush for your motor or generator lengthens the time between carbon brush changes.

Equipment Brands using Helwig Carbon Brushes

Bucyrus	Harnischfeger	Marion
Erie	Le Tourneau	Page

Ideal Products for the Mining Industry

HQD™ Terminals and Mounts

- Save time and money with one time purchase and installation
- Perfect for hard to access brushes and time critical brush changes
- Stays on in the toughest circumstances
- Safe and secure electrical connection

Red Top Pad

- Absorbs vibration, insulates spring
- Improved brush performance, longer brush life

Constant Force Brush Holders

- Constant force springs extend brush life
- Fast, easy brush changes
- Eliminates periodic adjustments
- Monitors brush wear with indicator
